EXPRESSION OF INTEREST – AMALGAMATION OPPORTUNITY

Member Clubs are advised that City Tattersalls Club (**City Tatts**) seeks expressions of interest from like-minded registered Clubs with a view to exploring the possibility of an amalgamation.

With a successful amalgamation in 2020 with The Castlereagh Club, and a second amalgamation with Barracks on Barrack set to complete in early 2022, City Tatts will operate the following three licenced premises within the Sydney City area:

- City Tattersalls Club, Pitt Street – Sydney;
- The Castlereagh at 199 Castlereagh Street – Sydney; and
- The Barracks at 5-7 Barrack Street – Sydney.

In addition to the Licensed Club business, City Tattersalls operates its own “Boonoona” Ski Lodge in Perisher Valley.

City Tatts is confident that carefully considered amalgamations between registered Clubs are an integral strategy to ensure a long-term sustainable future of the Community Assets we administer on behalf of our members and the industry overall. With that very thought in mind, City Tatts is keen to explore the benefits an amalgamation brings with other like-minded registered Clubs.

City Tattersalls Club is a financially strong organisation with more than \$150m in assets and a growing membership of 24,000 members. In any proposed amalgamation City Tatts will continue as the Parent Club, honouring and paying tribute to all that is important to the Clubs it operates.
